VILLA MABROUKA, ESSAOUIRA, MOROCCO

# Moroccan style with a modern designer's eye

## LOCATION

- Essaouira – 18km
- Essaouira airport – 20km
- Marrakech Merara airport – 190km

A passion project of the man behind one of the most beloved boutique hotels in Marrakech, Villa Mabrouka is a vision of contemporary North African elegance just outside the atmospheric Atlantic port of Essaouira.

Designed in collaboration with Studio KO, the architects behind Marrakech's eagerly awaited Yves Saint Laurent Museum, the villa is designed according to Morocco's architectural tradition, combining concrete and local stone to create a warm rustic canvas, accented with eclectic interior details, modern designer furniture and lighting, and contemporary portrait photography.

Sleeping up to eight, Villa Mabrouka frames a central courtyard, shaded by a slatted wooden roof, leading to an L-shape infinity pool, which looks across the hillside to Essaouira and the sea beyond. The main villa building contains an open-plan kitchen and living area, a hammam and three bedrooms; the fourth is situated in a private guest pavilion nearby.

A husband-and-wife team are on hand to maintain the grounds, cook breakfasts and provide cleaning services, and further staff are available on request – all of them trained at the acclaimed riad hotel El Fenn. With fashion-shoot good looks, an exquisitely private setting, and attention paid to even the smallest detail, Villa Mabrouka makes an excellent and entirely one-of-a-kind retreat for families or small groups.
